PPS Office of Technology and Information Services

Equity

we, OTIS, actively and consciously consider the needs of ALL of our students to ensure equitable access to technologies and digital tools and actively seek opportunities to make the system/s work better for ALL students and community members

...

Integrity

operate in a way that adheres to district policy, guidelines, and priorities while maintaining the highest standards of behavior and accountability, especially when no one is looking

...

Collaboration

we have a deep commitment to being the trusted partner that is willing to engage and work together tirelessly for the success of all. It is an attitude of "If you fail, I fail. When you succeed, I succeed."

...

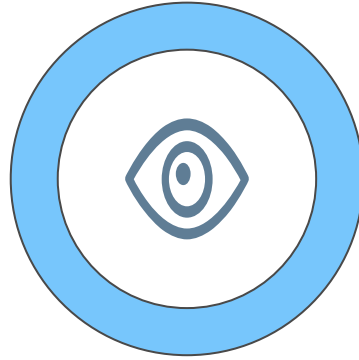

Service

OTIS strives to provide the highest quality of service and support to all members of the PPS community regardless of position or personal benefit

Vision & Mission

Vision

The vision of you, your office, or your organization is WHY
you do what you do!

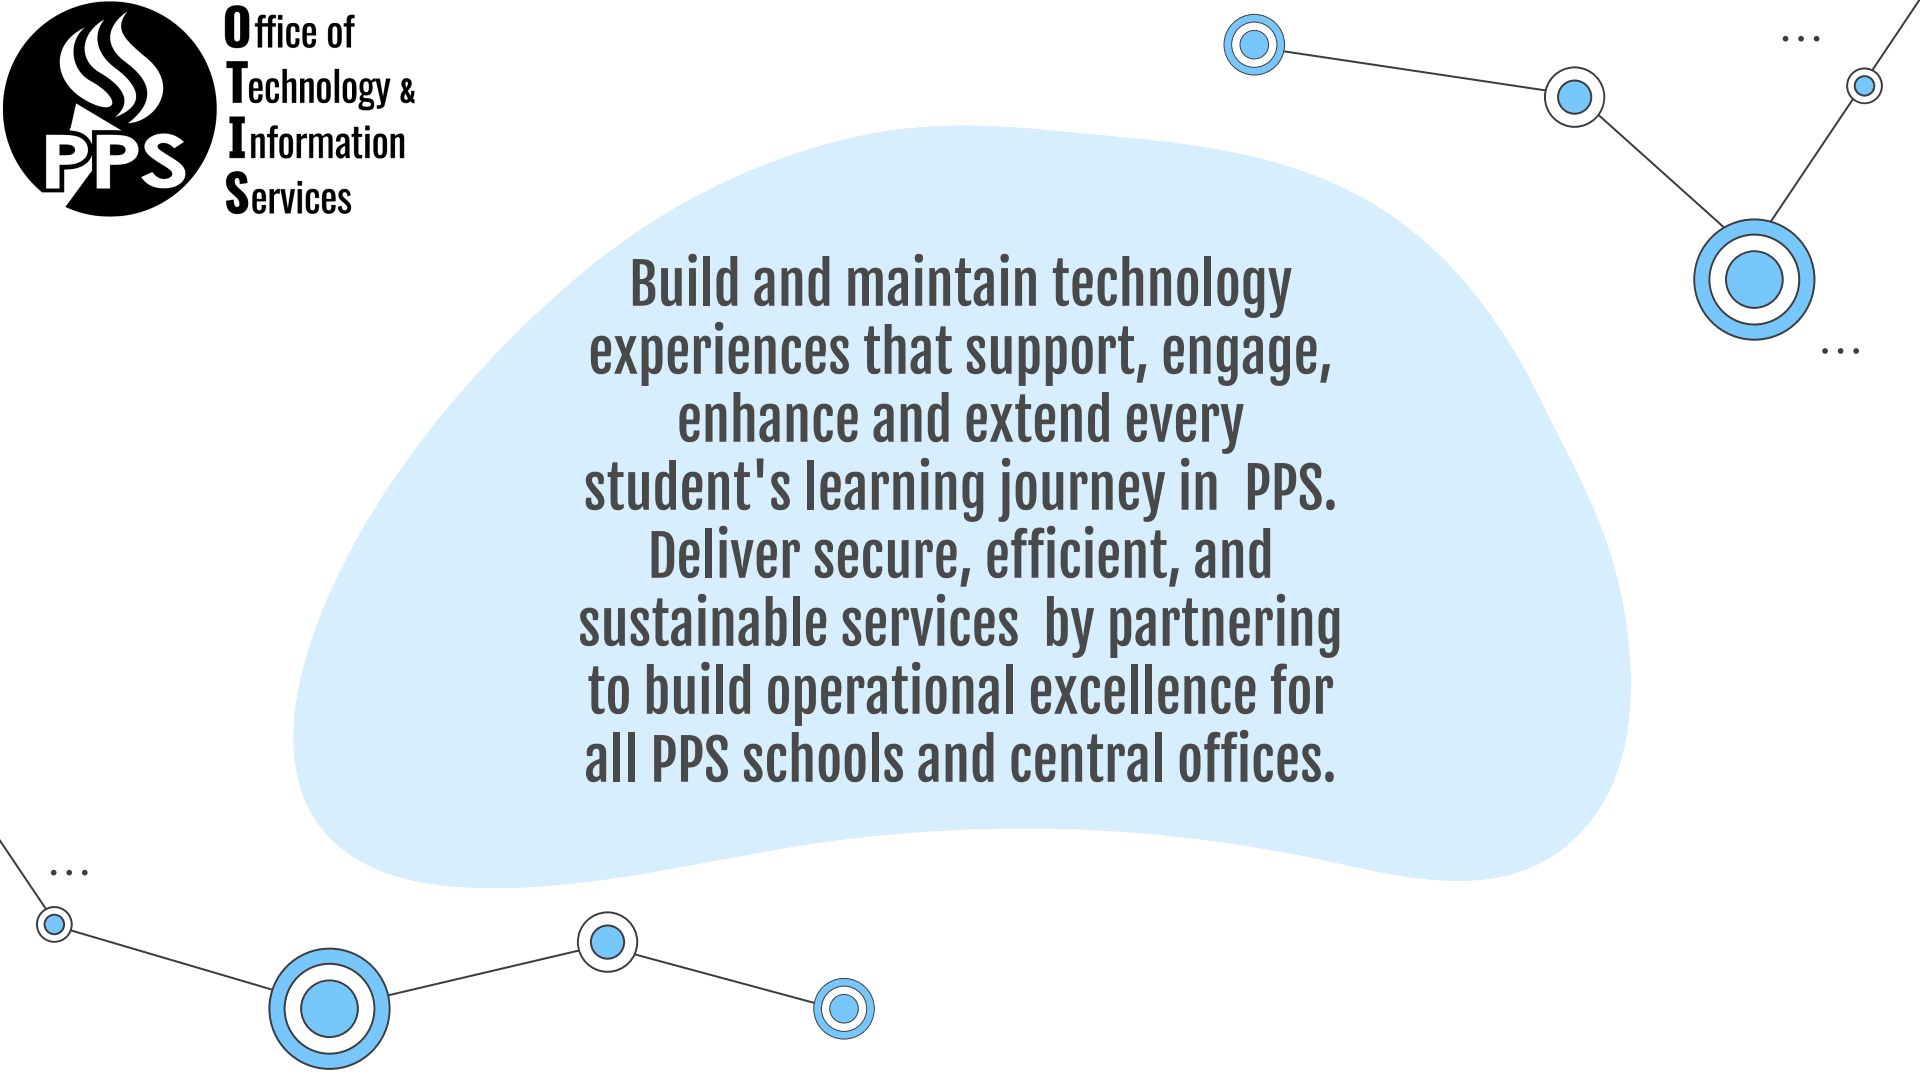

...

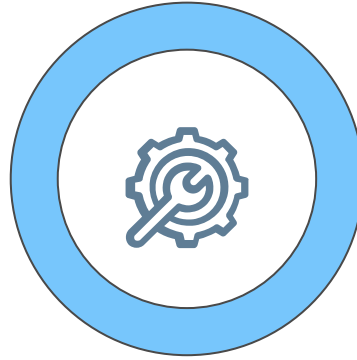

**To organize the
world's information
and make it
universally
accessible and
useful**

Build and maintain technology experiences that support, engage, enhance and extend every student's learning journey in PPS. Deliver secure, efficient, and sustainable services by partnering to build operational excellence for all PPS schools and central offices.

Mission

The mission of you, your office, or your organization is HOW
you do what you do!

...

**To provide access to
the world's
information in one
click**

Enable and support all partners to ensure the success of ALL students by providing secure, sustainable, reliable, and needed technology solutions and processes.

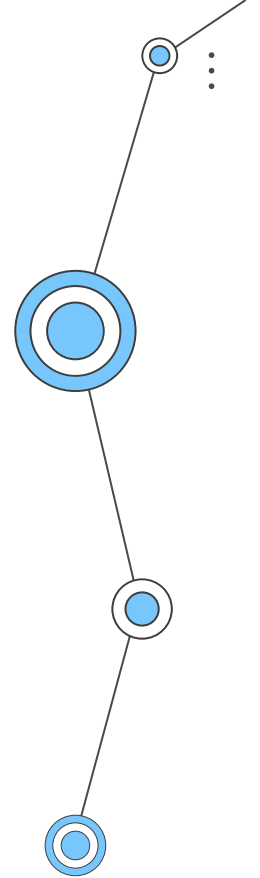

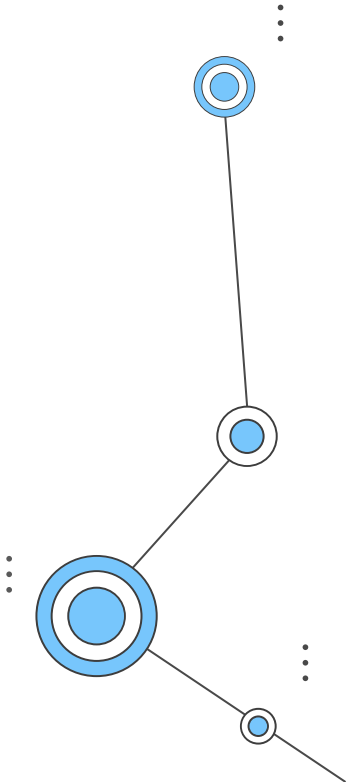

***ENABLE AND SUPPORT THE SUCCESS
OF ALL STUDENTS!***

Thanks!
